59 for an amount that is the least amount necessary to cause the project to occur, as determined by
60 the authority. The authority may structure the loans, equity investments or guaranteed loans in
61 a way that facilitates the project, but also provides for a compensatory return on investment or
62 loan payment to the authority, based on the risk of the project.

63 6. In any given year, at least ten percent of the funds granted to rural agricultural
64 business concepts shall be awarded to grant requests of twenty-five thousand dollars or less. No

36 3. Beginning tax year 1999, and ending December 31, 2002, any producer member who
37 invests cash funds in an eligible new generation cooperative or eligible new generation
38 processing entity may receive a credit against the tax or estimated quarterly tax otherwise due
39 pursuant to chapter 143, RSMo, other than taxes withheld pursuant to sections 143.191 to
40 143.265, RSMo, or chapter 148, RSMo, chapter 147, RSMo, in an amount equal to the lesser of
41 fifty percent of such producer member's investment or fifteen thousand dollars.

42 4. For all tax years beginning on or after January 1, 2003, any producer member who
43 invests cash funds in an eligible new generation cooperative or eligible new generation
44 processing entity may receive a credit against the tax or estimated quarterly tax otherwise due
45 pursuant to chapter 143, RSMo, other than taxes withheld pursuant to sections 143.191 to
46 143.265, RSMo, chapter 147, RSMo, or chapter 148, RSMo, in an amount equal to the lesser of
47 fifty percent of such producer member's investment or fifteen thousand dollars. Tax credits
48 claimed in a taxable year may be done so on a quarterly basis and applied to the estimated
49 quarterly tax pursuant to subsection 3 of this section. If a quarterly tax credit claim or series of

53 authorized by this section on a form provided by the authority. If the producer member meets
54 all criteria prescribed by this section and is approved by the authority, the authority shall issue
55 a tax credit certificate in the appropriate amount. Tax credits issued pursuant to this section may
56 be carried back to any of the producer member's three prior taxable years and carried forward
57 to any of the producer member's five subsequent taxable years regardless of the type of tax
58 liability to which such credits are applied as authorized pursuant to subsection 3 of this section.
59 Tax credits issued pursuant to this section may be assigned, transferred, sold or otherwise

60 conveyed and the new owner of the tax credit shall have the same rights in the credit as the
61 producer member. Whenever a certificate of tax credit is assigned, transferred, sold or otherwise
62 conveyed, a notarized endorsement shall be filed with the authority specifying the name and
63 address of the new owner of the tax credit or the value of the credit.

64 6. Ten percent of the tax credits authorized pursuant to this section initially shall be
65 offered in any fiscal year to small capital projects. If any portion of the ten percent of tax credits
66 offered to small capital costs projects is unused in any calendar year, then the unused portion of
67 tax credits may be offered to employee-qualified capital projects and large capital projects. If
68 the authority receives more applications for tax credits for small capital projects than tax credits
69 are authorized therefor, then the authority, by rule, shall determine the method of distribution
70 of tax credits authorized for small capital projects.

71 7. Ninety percent of the tax credits authorized pursuant to this section initially shall be
72 offered in any fiscal year to employee-qualified capital projects and large capital projects. If any
73 portion of the ninety percent of tax credits offered to employee-qualified capital projects and
74 large capital costs projects is unused in any fiscal year, then the unused portion of tax credits
75 may be offered to small capital projects. The maximum tax credit allowed per
76 employee-qualified capital project is three million dollars and the maximum tax credit allowed
77 per large capital project is one million five hundred thousand dollars. If the authority approves
78 the maximum tax credit allowed for any employee-qualified capital project or any large capital
79 project, then the authority, by rule, shall determine the method of distribution of such maximum
80 tax credit. In addition, if the authority receives more tax credit applications for
81 employee-qualified capital projects and large capital projects than the amount of tax credits
82 authorized therefor, then the authority, by rule, shall determine the method of distribution of tax
83 credits authorized for employee-qualified capital projects and large capital projects.

2 by a taxpayer under the provisions of chapters 143, 147, and 148, RSMo, exclusive of the
3 provisions relating to the withholding of tax as provided for in sections 143.191 to 143.265,
4 RSMo, and related provisions.

5 2. Any eligible lender under the family farm livestock loan program under section
6 348.500 shall be entitled to receive a tax credit equal to one hundred percent of the amount of
7 interest waived by the lender under section 348.500 on a qualifying loan for the first year of the
8 loan only. The tax credit shall be evidenced by a tax credit certificate issued by the agricultural
9 and small business development authority and may be used to satisfy the state tax liability of the
10 owner of such certificate that becomes due in the tax year in which the interest on a qualified
11 loan is waived by the lender under section 348.500. No lender may receive a tax credit under
12 this section unless such person presents a tax credit certificate to the department of revenue for
13 payment of such state tax liability. The amount of the tax credits that may be issued to all

14 eligible lenders claiming tax credits authorized in this section in a fiscal year shall not exceed
15 [one] **three** hundred [fifty] thousand dollars.

17 the administration and issuance of the certificate of tax credits authorized by this section. The
18 authority shall issue a certificate of tax credit at the request of any lender. Each request shall
19 include a true copy of the loan documents, the name of the lender who is to receive a certificate
20 of tax credit, the type of state tax liability against which the tax credit is to be used, and the
21 amount of the certificate of tax credit to be issued to the lender based on the interest waived by
22 the lender under section 348.500 on the loan for the first year.

24 other payment in such amount as is equal to the lesser of the amount of the tax or the remaining
25 unused amount of the credit as indicated on the certificate of tax credit, and shall indicate on the
26 certificate of tax credit the amount of tax thereby paid and the date of such payment.

27 5. The following provisions shall apply to tax credits authorized under this section:

28 (1) Tax credits claimed in a taxable year may be claimed on a quarterly basis and applied
29 to the estimated quarterly tax of the lender;

30 (2) Any amount of tax credit which exceeds the tax due, including any estimated
31 quarterly taxes paid by the lender under subdivision (1) of this subsection which results in an
32 overpayment of taxes for a taxable year, shall not be refunded but may be carried over to any
33 subsequent taxable year, not to exceed a total of three years for which a tax credit may be taken
34 for a qualified family farm livestock loan;

35 (3) Notwithstanding any provision of law to the contrary, a lender may assign, transfer
36 or sell tax credits authorized under this section, with the new owner of the tax credit receiving
37 the same rights in the tax credit as the lender. For any tax credits assigned, transferred, sold, or
38 otherwise conveyed, a notarized endorsement shall be filed by the lender with the authority
39 specifying the name and address of the new owner of the tax credit and the value of such tax
40 credit; and

41 (4) Notwithstanding any other provision of this section to the contrary, any commercial
42 bank may use tax credits created under this section as provided in section 148.064, RSMo, and
43 receive a net tax credit against taxes actually paid in the amount of the first year's interest on
44 loans made under this section. If such first year tax credits reduce taxes due as provided in
45 section 148.064, RSMo, to zero, the remaining tax credits may be carried over as otherwise
46 provided in this section and utilized as provided in section 148.064, RSMo, in subsequent years.

5 independent livestock and poultry family farm operations to succeed in the operation will
6 benefit the state of Missouri economically and socially and is a public purpose of great

7 lenders and financial institutions in the loan guarantee program. The authority shall be
8 the administrative agency for the implementation of the loan guarantee program, and may
9 employ such persons as necessary, within the limits of appropriations made for that
10 purpose, to administer the loan guarantee program.

11 2. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo,
12 that is created under the authority delegated in this section shall become effective only if
13 it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if
14 applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable
15 and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo,
16 to review, to delay the effective date, or to disapprove and annul a rule are subsequently
17 held unconstitutional, then the grant of rulemaking authority and any rule proposed or
18 adopted after August 28, 2008, shall be invalid and void.

348.521. 1. The authority may issue certificates of guaranty covering a first loss
2 guarantee up to but not more than fifty percent of the loan on a declining principal basis
3 for loans to individuals executing a note or other evidence of a loan made for livestock feed
4 and crop input, but not to exceed the amount of forty thousand dollars for any one
5 individual and to pay from the livestock feed and crop input loan guarantee fund to an
6 eligible lender up to fifty percent of the amount on a declining principal basis of any loss
7 on any guaranteed loan made under the provisions of sections 348.515 to 348.533, in the
8 event of default on the loan. Upon payment of the loan, the authority shall be subrogated
9 to all the rights of the eligible lender.

10 2. As used in sections 348.515 to 348.533, the term "eligible lender" means those
11 entities defined as "lenders" under subdivision (8) of section 348.015.

12 3. The authority shall charge for each guaranteed loan a one-time participation fee
13 of fifty dollars which shall be collected by the lender at the time of closing and paid to the
14 authority. In addition, the authority may charge a special loan guarantee fee of up to one
15 percent per annum of the outstanding principal which shall be collected from the borrower
16 by the lender and paid to the authority. Amounts so collected shall be deposited in the

17 livestock feed and crop input loan program fund and used, upon appropriation, to pay the
18 costs of administering the program.

19 4. All moneys paid to satisfy a defaulted guaranteed loan shall only be paid out of
20 the livestock feed and crop input loan guarantee fund established by sections 348.515 to
21 348.533.

22 5. The total outstanding guaranteed loans shall at no time exceed an amount which,
23 according to sound actuarial judgment, would allow immediate redemption of twenty
24 percent of the outstanding loans guaranteed by the fund at any one time.

348.524. 1. There is hereby established in the state treasury the "Livestock Feed
2 and Crop Input Loan Guarantee Fund". The fund shall consist of money appropriated to
3 it by the general assembly, charges, gifts, grants and bequests from federal, private or
4 other sources. Notwithstanding the provisions of section 33.080, RSMo, no portion of the
5 fund shall be transferred to the general revenue fund.

6 2. All moneys received by the authority for payments made on previously defaulted
7 guaranteed loans shall be paid promptly into the state treasury and deposited in the fund.

8 3. The fund shall be administered by the Missouri agricultural and small business
9 development authority organized under sections 348.005 to 348.180.

10 4. Beginning with fiscal year 2008-2009, the general assembly may appropriate
11 moneys not to exceed four million dollars for the establishment and initial funding of the
12 livestock feed and crop input loan guarantee fund.

348.527. Moneys in the fund, both unobligated and obligated as a reserve, which
2 in the judgment of the authority are not currently needed for payments of defaults of
3 guaranteed loans, may be invested by the state treasurer, and any income therefrom shall
4 be deposited to the credit of the fund.

348.530. 1. Persons eligible for guarantees for loans under the provisions of
2 sections 348.515 to 348.533 are individuals engaged in farming operations as defined in
3 section 348.015, who intend to use the proceeds from the loan to finance the purchase of
4 livestock feed used to produce livestock and input used to produce crops for the feeding
5 of livestock, and who are seeking a loan or loans to finance not more than ninety percent
6 of the anticipated cost.

7 2. The authority shall adopt and promulgate rules establishing eligibility under the
8 provisions of sections 348.515 to 348.533, taking into consideration the individual's ability
9 to repay the loan, the general economic conditions of the area in which the individual will
10 be located, the prospect of success of the particular farm operation for which the loan is
11 sought and such other factors as the authority may establish. The eligibility of any person
12 for a loan guarantee under the provisions of sections 348.515 to 348.533 shall not be

13 **determined or otherwise affected by any consideration of that person's race, religion, sex,**
14 **creed, color, or location of residence. The authority may also provide for:**

29 **unemployment, natural disasters, or other hardships.**

348.533. The authority, by rule, shall determine the policy of collections and
2 **recovery of loans, including the use of private collection agencies. The authority may**
3 **institute action to recover any amount due the state in any loan transaction, use private**
4 **collection agencies, or otherwise carry out the policy of the authority. The lender making**
